Pro quarterback, Ethan Christopher thought he had found his home when he met rock musician, Mia Devereux. She was the welcomed distraction in his football-focused life.

Things may not have been perfect. Their individual careers made being together difficult. Her touring. His away schedule. As her success grew, they spent more extended periods apart.

But at the end of the day, he knew he wanted to spend the rest of his life with her. Only her.

When Mia met Ethan, she felt a connection unlike any she'd ever felt. She gave him more of herself than she thought was even possible.

But she knew it wasn't enough. There was a lot she didn't share, couldn't give him.

An event two decades in her past made sure of that.

Those demons that she'd so carefully tucked away wanted out. As Mia struggled with the stress of touring and being apart from Ethan, her defenses weakened, allowing the demons to fight their way to the surface, leaving her in a vulnerable place. A place where bad choices were made.

Choices that both of them will regret.

Can Mia and Ethan's love survive her past? Or will it fall apart under the weight of her choices?
