CROSSROADS 2005 (Crossroads: A Southern Culture Annual)

This first volume of "CrossRoads: A Southern Culture Annual picks up where its predecessor, the acclaimed biannual periodical "CrossRoads: A Journal of Southern Culture, left off when the latter ceased publication in the mid-1990s. Formerly edited by several graduate students affiliated with the University of Mississippi's Center for the Study of Southern Culture (primarily by current editor Ted Olson), "Cross Roads: A Southern Culture Annual will continue its original mission: to provide a forum for diverse perspectives on the South and on Southern culture through combining compelling new fiction and poetry from well-known as well as emerging Southern authors, with eloquent articles, memoirs, oral histories, and photo essays that interpret and celebrate relevant manifestations of the Southern cultural experience. "CrossRoads: A Southern Culture Annual will deepen readers' awareness of and connection to the South.
