Controversy raged through England during the 1570-80s as Puritans denounced all manner of games & pastimes as a danger to public morals. Writers quickly turned their attention to their own art and the first and most influential response came with Philip Sidney's *Defense*. Here he set out to answer contemporary critics and, with reference to Classical models of criticism, formulated a manifesto for English literature. Also includes George Puttenham's *Art of English Poesy*, Samuel Daniel's *Defence of Rhyme*, and passages by writers such as Ben Jonson, Francis Bacon, and George Gascoigne.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
