For the first time, the tactics, strategies and insights relied on by 150 of the world's most respected financial experts are revealed in a concise, digestible form. Learn how you really make money in the markets from: - fund managers of billion-pound equity funds - traders in the options and futures markets - industry-rated analysts - economists from top business schools - writers on leading financial newspapers Each provides focused and practical rules on how to succeed in the market. Often counter-intuitive, their rules tell you exactly what to do and what not to do. No padding; just a rock-hard list of do's and don'ts. The contributors to this book are the elite of investing. They consistently beat the market because they know which shares to buy, at what price, and when. And, just as importantly, they know when to sell. Never before has so much quality advice been packed into a single book. If you want to increase your wealth through investing, this is an unmissable opportunity to acquire knowledge and skills from the best in the world.
