BLOOD DAWN: The Veil of Veronica Tom Von Kaenel

The Veil of Veronica contains the last portion of the actual blood of Christ left on the earth. Draco of the House of Draculesti has sworn to destroy the veil, and erase the last vestige of the blood of Christ from this world. Courageous men carry the veil to the new world, a place called Alta California, and hide it in a Spanish Mission. In the town of Santa Veronica, Dawn Sanders and an unlikely group of players try to find the veil in order to stop Drake Wallach, a five hundred year old vampire, from destroying it and plunging the world into darkness.
