Since Christina Mitchell was a young girl, her calling's been clear: to become a paramedic. Determined to be the best in her field--compete in a boy's club--she sacrificed everything in order to prove her worth. Before she realized it, Christina was falling in love with a firefighter, Nicholas Conrad. Christina knew the stakes and what it could do to her career, and his, but also recognized her soul mate in the charismatic hero. In their cocoon, everything she's dreamed becomes reality until tragedy strikes destroying a part of Nick with it. The happily ever after they'd been living fell apart, leaving her with no choice but to walk away. There was no amount of hope left to cover the pain that twisted in her gut when Nick stepped aside and allowed her to go.

Now, picking up the pieces, she has budget cuts to blame when the pair is forced to work together once again. Determined to remain professional, their past a secret from the rest of the house, they're both aware it's only a matter of time before the truth is revealed.

With tensions rising every time they're together, Christina has only two roads to follow: forget the past and risk her heart or disappear forever.

Will Nick and Tina be able to rekindle their love? Or will everything they've worked so hard for go up in smoke?
