## **Sula** Toni Morrison

Two girls who grow up to become women. Two friends who become something worse than enemies. In this brilliantly imagined novel, Toni Morrison tells the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Their devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, **Sula** is a work that overflows with life.

### From reader reviews:

#### **Micheal McDonough:**

Playing with family in a very park, coming to see the water world or hanging out with buddies is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Sula, you are able to enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its called reading friends.

#### **Laura Enriquez:**

Sula can be one of your basic books that are good idea. We recommend that straight away because this book has good vocabulary which could increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort that will put every word into joy arrangement in writing Sula nevertheless doesn't forget the main place, giving the reader the hottest in addition to based confirm resource information that maybe you can be one of it. This great information can easily drawn you into brand-new stage of crucial considering.

#### **Floy Knowles:**

Is it you who having spare time in that case spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Sula can be the answer, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?

#### **Dennis Mock:**

What is your hobby? Have you heard in which question when you got students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. So you know that little person including reading or as reading become their hobby. You need to know that reading is very important in addition to book as to be the thing. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them are these claims Sula.
