The Greatest Player Who Never Lived J. Michael Veron

Unwritten in the annals of the sporting world is the story of a man with unlimited potential who was denied his rightful place in the lore of golf. His story had remained a mystery for so many years, yet it wasn't a mystery at all, since he had long been forgotten. It is a story that may never have been told had Charley Hunter not accepted a summer internship at Butler & Yates, a prestigious Atlanta law firm. Bobby Jones, the legendary amateur golfer, had once been a partner at the firm and his old legal files had been severely neglected over the years. The task of cataloging these files soon presents the young law student with much more than he anticipated. Charley learns quickly that there is a compelling tale buried within the files of Bobby Jones.
