A History of U.S. Feminisms

Rory C. Dicker

A History of U.S. Feminisms Rory C. Dicker

Thoroughly updated and expanded, the second edition of *A History of U.S. Feminisms* is an introductory text that will be used as supplementary material for first-year women's studies students or as a brush-up text for more advanced students. Covering the first, second, and third waves of feminism, *A History of U.S. Feminisms* will provide historical context of all the major events and figures from the late nineteenth century through today.

The chapters cover: first-wave feminism, a period of feminist activity during the nineteenth and early twentieth centuries which focused primarily on gaining women's suffrage; second-wave feminism, which started in the '60s and lasted through the '80s and emphasized the connection between the personal and the political; and third-wave feminism, which started in the early '90s and is best exemplified by its focus on diversity and intersectionality, queer theory, and sex-positivity.
