Help! My Grandchild Has ADHD: What These Children and Their Parents Wish You Knew Judy M. Kirzner

What should you know about your grandchild's ADHD? What do the parents of these children wish they could tell you? Loaded with practical advice and honest information, this unique book on ADHD is written with the grandparents in mind. The author provides insight into family relationships and specific stresses that result from having an ADHD child in the family. Actual responses from surveyed parents of ADHD children open the eyes and hearts of readers. Help! My Grandchild Has ADHD is packed with positive ideas, specific suggestions, and fun activities that every grandparent will want to do. The format is easy to follow and uses everyday language rather than medical jargon and educational terms. This is the book that parents will want to buy for the grandparents, and grandparents will want to buy for themselves.
