David W. Lesch, Mark L. Haas

The Middle East and the United States: History, Politics, and Ideologies, UPDATED 2013 EDITION

David W. Lesch, Mark L. Haas

The 2013 updated fifth edition of the acclaimed *The Middle East and the United States* brings together scholars and diplomats from the Middle East, Europe, and North America to provide an objective, cross-cultural assessment of US policy toward the Middle East. Regional experts David W. Lesch and Mark L. Haas include a new chapter dedicated to the events of the Arab Spring and its aftermath, looking with a special eye to the impact on US interactions with the region.

The text also features five new chapters discussing the superpowers and the Middle East throughout the Cold War; the Bush and Obama administrations and the Arab-Israeli conflict; contemporary US-Syrian relations; the importance of ideology to US-Iranian relations under the last three administrations; and US relations with al-Qa'ida.

*Carefully edited and reorganized to place a greater emphasis on current events, *The Middle East and the United States* provides comprehensive and authoritative coverage of US foreign policy and Middle East political history from the first World War through the Arab Spring and beyond.*
