# The Trial and Death of Socrates (Barnes & Noble Library of Essential Reading): Four Dialogues

*Plato*

**The Trial and Death of Socrates (Barnes & Noble Library of Essential Reading): Four Dialogues** Plato  
“The European philosophical tradition. . . consists of a series of footnotes to Plato.” -- Alfred North Whitehead

The dialogues of **Plato** stand alongside the Bible and Homer’s *Iliad* and *Odyssey* as foundational texts of Western civilization. The works of Plato collected under the title *The Trial and Death of Socrates* have been particularly influential. This is because they provide both an excellent point of entry into Plato’s vast philosophy and a vivid portrait of Plato’s mentor, Socrates – one of the most uncompromising intellectuals in the pantheon of human history. It is predominantly through Plato’s account in these works of the words and actions of Socrates during his trial and execution for impiety that the latter’s nobility and profound integrity have become known to succeeding generations.
