Friendship blossoms into romance in this reader-favorite Adams Dynasty story from *New York Times* bestselling author Sherryl Woods.

Jordan Adams proposed a marriage of convenience to single mom Kelly Flint because he thought it was time they each settled down with a perfectly compatible, always-dependable partner. After all, they'd both learned the hard way that love only leads to heartache.

But to his surprise, Kelly made Jordan feel that their marriage would be anything but platonic, and her little daughter kindled fond feelings of fatherhood in his heart. Now he had to convince Kelly that he was not only a natural born daddy...but also the perfect husband she'd been waiting for all her life.
