Boys Are Back

Simon Carr

Boys Are Back Simon Carr

When Simon Carr's wife, Susie, tragically loses her battle with cancer, Simon is left to raise his five-year-old son, Alexander, on his own. Soon after, his eleven-year-old son from a previous marriage, Hugo, comes to live with them too. All too quickly, plumped-up cushions, crisp beds and a drifting scent of rosemary from the kitchen are replaced with a floor piled high with video-games, Lego[registered] and comics. While visiting mothers deem his parenting 'semi-feral', Simon dryly retorts that his methods are simply 'free-range'. In this new all-male partnership, Simon faces the challenges of parenthood unaided, as father and sons alike learn to become a family again. Carr's emotionally honest, compellingly anarchic and sharply comic story of a single parent's struggle is at once heartbreaking and wonderfully life-affirming.
