Memories of John Lennon

Memories of John Lennon

John Lennon . . . as much a part of our world today as he ever was

He touched many lives in his brief forty years, and continues to move and inspire millions more to this day. Now, invited by Yoko Ono, friends, family, and fans from all walks of life—including some of the great artists of our day—reminisce about Lennon as a visionary and friend, musician and performer, husband and father, activist and jokester.

In their own words and drawings, poems and photos, Lennon's life from his childhood through the Beatles years to the happiness and tragedy of his final days become stunningly vivid.

Intimate glimpses gathered from musicians who knew John, such as Pete Townshend, Sir Elton John, Billy Preston, and Joan Baez; friends and relatives such as producer David Geffen, publicist Elliot Mintz, and cousin Mike Cadwallader; and artists who followed him such as Bono, Alicia Keys, Steve Earle, Jello Biafra, and Carlos Santana.

And, for the first time, renowned photographer Annie Liebovitz presents every frame of the historic last session with John and Yoko.

Memories of John Lennon is a rich and deeply felt appreciation of a truly great man.

From reader reviews:

Rolando Gil:

Reading a guide can be one of a lot of action that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a publication you will get new information mainly because book is one of various ways to share the information or even their idea. Second, reading through a book will make you more imaginative. When you examining a book especially hype book the author will bring one to imagine the story how the personas do it anything. Third, you could share your knowledge to others. When you read this Memories of John Lennon, you could tells your family, friends and soon about yours book. Your knowledge can inspire others, make them reading a book.

Juan Carrillo:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that may give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write with their book. One of them is this Memories of John Lennon.

Jeffrey Thibodeaux:

People live in this new time of lifestyle always try and and must have the free time or they will get wide range of stress from both lifestyle and work. So , if we ask do people have free time, we will say absolutely yes. People is human not really a huge robot. Then we question again, what kind of activity do you possess when the spare time coming to an individual of course your answer can unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, the actual book you have read is usually Memories of John Lennon.

Kathleen Huckaby:

Reading a book to be new life style in this season; every people loves to examine a book. When you go through a book you can get a great deal of benefit. When you read books, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, in addition to soon. The Memories of John Lennon provide you with a new experience in looking at a book.
