The Death of WCW

R.D. Reynolds, Bryan Alvarez

The Death of WCW R.D. Reynolds, Bryan Alvarez

In 1997, World Championship Wrestling was on top. It was the number-one pro wrestling company in the world, and the highest-rated show on cable television. Each week, fans tuned in to Monday Nitro, flocked to sold-out arenas, and carried home truckloads of WCW merchandise. It seemed the company could do no wrong.

But by 2001, however, everything had bottomed out. The company — having lost a whopping 95% of its audience — was sold for next to nothing to Vince McMahon and World Wrestling Entertainment. WCW was laid to rest.

What went wrong? This expanded and updated version of the bestselling *Death of WCW* takes readers through a detailed dissection of WCW's downfall, including even more commentary from the men who were there and serves as an object lesson — and dire warning — as WWE and TNA hurtle toward the 15th anniversary of WCW's demise.
