When a Boeing 777 lands at JFK International Airport and goes dark on the runway, the Center for Disease Control, fearing a terrorist attack, calls in Dr. Ephraim Goodweather and his team of expert biological-threat first responders. Only an elderly pawnbroker from Spanish Harlem suspects a darker purpose behind the event--an ancient threat intent on covering mankind in darkness. In one week, Manhattan will be gone. In one month, the country. In two months--the world.

This horrifying first chapter introduces an outbreak of diabolical proportions that puts a terrifying twist on the vampire genre! Collects issues #1 through #11.
