Meet Claudia Kim.

Bored. Privileged. Hot. Lonely.

Married.

Her life is drama free, just like the city in which she resides.

. . . Until she goes for a run.

Set in Irvine, CA.

Irvine has been called the safest big city in the USA. Half of its population is Asian-American and is home to University of California, Irvine. Homes are expensive and people here are prim, proper, and practical. The weather is always nice here. You move here because you want to avoid the world's problems. It's also the very reason why this place is so ripe for scandal and all bread gets buttered.
